NOTES FROM THE STAFF

First of all, we would like to thank everyone for their prompt cooperation and understanding on the day of the water main break. We are still dealing with some damage from the flooding and will need your continued patience as we make repairs!

With school starting this month and many of our friends starting kindergarten, your child may be moving up into a new class. This process will begin on Monday, August 13th. Please consult with your child's teacher to find out any details regarding this.

With many children's older siblings going back to school and some Headstart programs beginning again, it is important to know that there is an increased risk of illness. This is the time of year when your child will be exposed to new germs and there is a greater possibility of exposure to lice. We will be taking extra precautions to keep your child healthy and we ask that you do the same. Please be vigilant about hand washing this time of year.

WHAT WE ARE LEARNING

Your child's class will be exploring the following topics in the coming month.

Summer Fun/Water Play- **July 30-Aug 3** All About Me- **August 6-10**

My Family- **August 13-17** My Body- **August 20-24**

Emotional/Social Skills- **August 27-31**
